

The Community Safety Trust (CST) are running a series of FREE one-hour webinars as part of their SAFE security awareness programme.

Their programme will be of interest to any member of a community that feels vulnerable to violent extremism and hate crime. This will include people who regularly attend a place of worship, and in particular, community leaders, managers of places of worship and people who wish to become involved in making their community and place of worship as safe as possible.

Please see their schedule for the rest of the year below with links to the Zoom registration page:

30th November at 2pm: **Covid-19 & security**
